

Radical Faith Confession

Father, I boldly declare that this is the year that I will exercise Radical Faith to accomplish Your priorities in my life, my family and my church. I will believe You in every situation and with every circumstance, by Your grace and mercy and the revealing of Your Word. I return to an unconditional dependence upon You because You are able to do all things. Nothing is too hard for You and nothing is out of Your reach. I not only repent for doubt and unbelief but I cancel its assignment from my life, and I declare today that ALL THINGS ARE POSSIBLE because I believe! I receive vision for my life; I receive the future and the hope that You have designated for me; and, I set big goals and dreams before You now. You promised that if I seek You and Your kingdom first that all those things will be added to me; so today, I deem You faithful. No longer will I lean to my own understanding but I will acknowledge You, and trust You to direct my path. You are the God that opens Your hand to satisfy every living thing; therefore, I believe that You will not only satisfy me in the famine, but as I praise You, the earth must yield of her increase to me! I act decisively on Your Word and I decree and declare, by faith, that supernatural increase and favor comes to me, in Jesus' Name. I welcome the Spirit of wisdom and understanding into my life, and I declare signs and wonders follow me because I believe. I call my God-given gifts stirred and my God-given creative potential maximized. I lay aside every sin and weight upon my life, and I set my expectation for the supernatural power of God to manifest through me so that I effectively share Christ with others, demonstrate acts of kindness and live above the world's system. I affirm my Blood covenant with God and thank You Lord for making me victorious in every situation and in every area of my life. I acknowledge the authority that You have given me and I exercise it over every satanic interference in my life. I call every plot, opposition and attack against me cancelled through the Blood of Jesus. No weapon formed against me, my family or my church will succeed. I expect double recompense for everything that was lost, stolen or surrendered. You said that the kingdom of God suffers violence and that the violent take it by force; therefore, I walk in Radical Faith without apology and bless You Father because it produces exponential results in my life, in Jesus' Name. You are alive and from this day forward I will live like it! Hallelujah!!
