

(Romans 3:27-28) Can we boast, then, that we have done anything to be accepted by God? No, because our acquittal is not based on obeying the law. It is based on faith. So we are made right with God through faith and not by obeying the law.

✓ Definition of a Law - Absolute rule, formula or \_\_\_\_\_ by which our \_\_\_\_\_ is governed or should be governed.

We learned last week:

- Faith connects then believer to God’s presence, power, provision, protection
- The law of faith is a universal law.
- Faith trumps natural, physical laws and human limitations

Today, I want us to see that...

➤ God is not \_\_\_\_\_ to the laws of nature.

1. Faith \_\_\_\_\_ natural circumstances.

(Acts 3:4-6) Peter and John looked at him intently, and Peter said, “Look at us!” The lame man looked at them eagerly, expecting some money. But Peter said, “I don’t have any silver or gold for you. But I’ll give you what I have. In the name of Jesus Christ the Nazarene, get up and walk!”

(Acts 3:16) “Through faith in the name of Jesus, this man was healed—and you know how crippled he was before. Faith in Jesus’ name has healed him before your very eyes.

2. God is not \_\_\_\_\_.

(Mark 10:27) Jesus looked at them intently and said, “Humanly speaking, it is impossible. But not with God. Everything is possible with God.”

(Mark 10:27 MSG) Jesus was blunt: "No chance at all if you think you can pull it off by yourself. Every chance in the world if you let God do it."
