## WHY WE PRAY

During these 21 days, we will seek God's presence, renew our confidence in His promises, and embrace contentment in His plan.

God has already spoken over this house. His Word is rooted here. He promised to watch over it and perform it, and He also said that signs and wonders would follow the Word. We believe that. We are expecting to see His power in action as we pray

## 21 DAY PRAYER OVERVIEW

This August, we're entering 21 Days of Prayer with full intention. Our focus is simple: we are making room for the Holy Spirit. We are choosing to pray, listen, and move in step with Him. Everything we do as a church flows from that decision.

Each day provides a scripture, a declaration, and a specific focus for prayer. Whether you've been walking with God for years or just started, this is your moment to grow deeper and expect more.

We are listening. We are hungry. We are ready. Let's pray—by His Spirit.
